Legend to sketch on page 41. Unidentified Soviet Army caserne

25X1

[redacted] Soviet soldiers playing volleyball inside this caserne area which was bordered by Strada I.V. Stalin (formerly Strada Carol), Strada Calarasilor, and Strada Ion Lahovari.

2. Unidentified Rumanian Barracks

25X1

In 1954, approximately three wooden-type barracks were constructed at the corner of Strada Decebal and Strada Mircea cel Mare for the use of unidentified Rumanian Army personnel.

3. An underground air raid shelter

25X1

This underground air raid shelter was constructed under the city block bordered by Strada I.V. Stalin, Strada Decebal, Strada Take Ionescu, and Strada Mircea cel Mare.

[redacted] Rumanian soldiers quartered in the wooden barracks situated in the northeast section of this city block were responsible for guarding the air raid shelter.

4. Unidentified Soviet Radio Transmitter

25X1

[redacted] an old church, located on the corner of Strada I.V. Stalin and Strada Take Ionescu, which had been closed for public worship since 1950, was being used by the Soviets as a radio transmitting station. In 1954, [redacted] three GAZ trucks in the churchyard and one generator which was the same type used for a Soviet RSB radio [redacted]

5. A Soviet Army (?) POL storage area

25X1

A Soviet POL storage area was located in the northeast corner of the former public gardens and was bordered by Strada Take Ionescu and Strada Mircea cel Mare.

6. Soviet Restaurant and Theater

At the Strada Mircea cel Mare entrance to the former public gardens, there were two permanent-type buildings which were being used by the Soviet Army for the recreation and messing of Soviet military and civilian personnel only. Directly behind these facilities, there was an outdoor theater which had been set aside for the use of Rumanians.

7. A Soviet military hospital

25X1

A large Soviet Army hospital, established for military and civilian use, was located in the area bordered by Strada Dn Davila, Strada Eroilor, an unidentified housing area to the north, and the Black Sea to the east.

8. An unidentified Soviet Army caserne

25X1

The location of this caserne was on the site of a pre-World War II Rumanian caserne area. This area was bordered by Bulevardul Regina Maria, Strada Mircea cel Mare, Strada Maior Giurescu and the unidentified Rumanian Army caserne [redacted] to the south.

9. An unidentified Rumanian Army caserne

25X1

This unidentified Rumanian Army caserne was located at the junction of Strada Decebal and Strada Mircea cel Mare and was situated between two unidentified Soviet Army casernes (Points 8 and 10 of this report).

10. An unidentified Soviet Army caserne

25X1

This unidentified Soviet Army caserne was located on the site of a pre-World War II Rumanian Army regimental caserne bordered by Strada Decebal, Strada Mircea cel Mare, Strada Maior Giurescu, and Strada Friedrich Engels (formerly Bulevardul Principesa Ileana). An unidentified civilian housing area was located on the south.

11. Unidentified Soviet Army Mobile Transmitting Stations

Parked along the Black Sea shore line, in a barbed-wire enclosure in the vicinity of the junction of Strada Maior Gvarescu and Strada Friedrich Engels, two or more mobile radio transmitting stations with attached generators. These were observed over a period of at least two years. Each of these transmitting stations was located inside a fully-enclosed metal cabin which rested on the whole bed of a GMC truck. Each cabin contained a US-type BC-610 radio transmitter.

25X1

12. An AAA position

25X1

this AAA position, located on the Black Sea shore line near the junction of Strada Friedrich Engels and Strada Smardan, was a Rumanian Army installation.

25X1

13. Unidentified barrack

the wooden barrack located at the junction of Strada Friedrich Engels and Strada Smardan was a Rumanian Army installation. This barrack was used to billet the personnel assigned to the AAA position reported in Point 12 above.

14. Soviet Komendatura Headquarters

25X1

a large building located on Strada Cantarcuzino was the Soviet Komendatura building and had often seen Soviet officers entering the building.

25X1

15. Soviet officers' quarters

25X1

the former Hotel Bulevard, located on Strada Remus Opreanu, was used as billets for Soviet officers and dependents.

16. Unidentified Soviet officer billets

This private residence, located on Strada Lascar Cartargai, was occupied by unidentified Soviet officer personnel.
